Spring 2013

Dear Friends,

We would love to have you join us once again at the Annual Meeting of the Christian Science Visiting Nurse Service of New Hampshire.

In Christian Healing, Mary Baker Eddy wrote “...let us work more earnestly in His vineyard, ... making our words golden rays in the sunlight of our deeds...” At this year’s Annual Meeting we will be celebrating those golden rays and the sunlight of our deeds, especially those of our dedicated nurses. This year’s meeting will be held on Sunday, April 21st at 2pm in the Sunday School building at First Church of Christ Scientist, Concord. The building is at 33 School Street and there is plenty of on-street parking available.

In hymn #5 we sing, “Your mission is to heal.” This is indeed the healing that is being experienced by our nurse, Pat Cameron’s patients. At this meeting Pat will share this fruitage as well as encouragement, and practical education related to the work that’s been done under the auspices of the Service in New Hampshire, Maine and Vermont.

It’s been an active year for the Service as you will learn as the Board presents its brief reports. Several projects have been underway. We are particularly pleased to have completed the launch of our “new and improved” website. We hope you will take a look at it and provide us with any feedback. The website can be found at www.csvisitingnurseservicenh.org.

We are delighted to announce that our inspirational speaker this year is Bernice Burlock Doane, C.S. of Kennebunk, Maine. Bernice is an active member of the Kennebunk, Maine church where she has accepted the whole range of leadership and secondary roles available to a member including several terms as Reader. She has addressed her association, and from 1989-1991 she served on the Christian Science Board of Lectureship. We continue to be blessed by Bernice’s service to the field as a Journal-listed practitioner. We know you will be benefited by hearing the metaphysical insights she has to share.

So mark your calendars and join us for an informative and uplifting meeting!

With Warm Regards,
Board of Directors,

Don Alusic, Amherst
Paula Brensinger, Grantham
Diane Johnston, Pembroke
Art LeBlanc, Pembroke
Alice Shepherd, Atkinson
Kathy Wallace, Rumney
